G. AFFIRMATION

I, the applicant (or parent, legal guardian, or responsible party of applicant), affirm that my foregoing answers to questions in Section A through F are complete and correct to the best of my knowledge. I understand that no coverage will be in effect until the full initial premium is paid and this application has been approved and accepted by HIPUtah.

I understand that:

- "Preexisting condition," with respect to a health benefit plan means the following: (a) a condition that was present before the effective date of coverage, whether or not any medical advice, diagnosis, care, or treatment was recommended or received before that day; (b) does not include a condition indicated by genetic information unless an actual diagnosis of the condition by a physician has been made.
- Benefits otherwise payable under the policy will be reduced by all amounts paid or payable through any other health coverage, workers-compensation, motor vehicle coverage, or any state or federal law or program.
- If this application contains fraudulent or intentional misstatements or omissions, HIPUtah may do any or all of the following: (a) cancel the agreement as though it were never effective; (b) deny benefits under the "pre-existing condition" exclusion; or (c) take any other action available to it by law.
- I understand that if I am at least 18 years of age and I am not lawfully admitted to the United States, I am not eligible for HIPUtah.

Any matter in dispute between you and HIPUtah or Federal-HIPUtah may be subject to arbitration as an alternative to court action pursuant to the rules of the Utah Uniform Arbitration Act. Any decision reached by arbitration shall be binding upon both you and HIPUtah or Federal-HIPUtah. The arbitration award may include attorney's fees, if allowed by law, and may be entered as a judgment in any court of proper jurisdiction.

DISCLOSURE AUTHORIZATION

I authorize disclosure of medical record information about me (or about the applicant, if I am other than the Applicant) to HIPUtah or Federal-HIPUtah if needed to (a) determine eligibility for coverage; and/or (b) process claims for benefits.

This authorization takes effect on the date received by the Administrator and remains in effect as follows:

- For information needed to process a claim for benefits, the authorization is effective for the lifetime of the policy or the duration of the timely filing deadline for any claim, whichever is longer.
- For information needed to evaluate the application for coverage, the authorization will be effective for 90 days after the date received by the Administrator.

I understand and agree that by typing in my name I am engaging in an electronic transaction and creating an electronic agreement that is legally binding upon me and those I represent in the same manner as if I had signed a paper document containing the same terms and conditions.

H. AUTHORIZATION FOR USE AND DISCLOSURE OF PROTECTED HEALTH INFORMATION (PHI)

This authorization provides for the release of PHI to the Utah Comprehensive Health Insurance Pool (HIPUtah) through its Administrator. Federal privacy laws require health plans to include certain provisions in any authorization for use or disclosure of medical information, other than uses or disclosures for treatment, payment, healthcare operations, and as otherwise required or expressly permitted by law. If HIPUtah or SelectHealth needs to use, disclose, or receive PHI other than for the purposes set forth herein, I understand that I may be required to sign a separate authorization.

On behalf of myself (or the applicant if I am other than the applicant), I authorize any physician, healthcare provider, hospital, insurance, or reinsurance company, or other insurance information exchange to disclose PHI including alcohol, chemical dependency, mental treatment, genetic testing, or HIV treatment to HIPUtah, SelectHealth, or its representatives. I acknowledge and understand that this information will only be used for the purpose of determining enrollment in the health plan, eligibility for benefits, or payment of claims. PHI may include claims records, correspondence, medical records, billing statements, diagnostic imaging reports, laboratory reports, dental records, or hospital records (including nursing records and progress notes).

If I choose not to sign this authorization, SelectHealth on behalf of HIPUtah, may be unable to enroll me for coverage under HIPUtah or Federal-HIPUtah, or to pay claims that were incurred while I had insurance coverage with HIPUtah or Federal-HIPUtah.

I understand that I may cancel this authorization at any time by sending a written request to SelectHealth, Inc. at P.O. Box 30192, Salt Lake City, Utah 84130-0192. Cancellation of this authorization will not affect any action HIPUtah or SelectHealth took before it received my request. If I do not revoke this authorization, it will automatically expire upon termination of my coverage with HIPUtah or Federal-HIPUtah, or 24 months from the date at right, whichever comes first.

Federal law requires HIPUtah or SelectHealth to tell me that if the party to whom HIPUtah or SelectHealth, Inc. discloses my PHI shares it with anyone else, some state and federal laws may no longer protect it. This excludes alcohol and drug abuse records, which are subject to federal confidentiality rules (42 CFR part 2). Federal law prohibits redisclosure of such information without specific written authorization.
